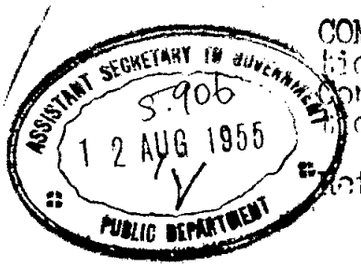
To
The Director of Community
Development, MADRAS.

Sir,



COMMUNITY PROJECT (SOUTH KANARA) - Materials for publication on "Village Improvement" to be brought out by the Concrete Association of India - Furnishing of - Instructions - Solicited.

Ref:- Letter No.CIR/PRJ/COM/ 9526-dated 29-7-1955.

-o-

In the letter cited above, the Concrete Association of India has requested me to furnish them with particulars of improvement works carried out with the use of cement in the Community Project area in the form given below:-

1. Name of the Community Project area:
2. Name of the Village:
3. Type with brief particulars of New structure built:
4. Type with brief particulars of existing structure improved:
5. Items of construction of improvements for which cement has been used:

The Association has stated that their object in getting the information is to publish suitable material in their publications on "Village Improvement" and distribute them amongst the villagers and thus disseminate ideas on various types of improvements which could be carried out by them very economically with cement. The Association also intends to give publicity to certain interesting items of work done by authorities in the mofussil papers.

2. I solicit instructions as to whether the information may be supplied to the institution.
